

CHAPIN TIES OWN DISTRICT RECORD

Rolls 434 Duckpin Set With Columbians, Having Games of 160, 137, and 137.

GETS NINETEEN MARKS

Stansbury, Masonic Leader, Trims St. John's—Royal Ten-pinner Wins.

If anyone ever rolls a duckpin set of 500 in this city, something heretofore undreamed of, the chances are even that Ray Chapin, a member of the Continentals, in the District League, and Columbians, in the National Capital, will do it.

Last night, with the Columbians, against the Southeast Stars, on the latter's alleys, Chapin hung up a mark of 434. Two weeks ago, with the Continentals, he got the same total, which stands in the District record. Chapin may have rolled 435 in his first exceptional set. The scorebook of the match gives him 435, but only 434 was registered on the score sheet, kept before all contestants, and which was abided by.

Makes Nineteen Marks.

Chapin's games last night were 160, 137, and 137. He made nineteen marks without missing a spare-break, and left few pins standing. His team, by virtue of Chapin's unusual pin-spilling, won all three games from the Southeast Stars.

Chapin rolled three league sets yesterday. He obtained a total of 358 with the Columbians against the National Capitals, and 295 with the same team against the Inglesides. His team won eight out of the nine games.

Stansbury Wins.

Stansbury gained a big victory over St. John's, in the Masonic League, although the latter won the first game. Stansbury, the league leader, grabbed the other two, hitting the maples for a 594 count in one. Krauss and Elsmann were the best rollers for Stansbury, and Hobb rolled well for St. John's.

Royal ten-pinner continued their excellent rolling in the Washington City League, trimming the Ironsides three straight, with all games well over 900. Eddie McKnew and Krauss featured.
